

## “Let’s Start Something Green and Sustainable!!!”

Join Waste Management, North State Building Industry Association, Yolo County and the City of West Sacramento for a series of **free** Environmental Seminars

- Are you an architect or construction company working in West Sacramento?
- Do you have concerns about the proposed draft Green Building Ordinance?
- Do you want to know more about green building techniques?
- Are you interested in reducing your carbon footprint?

If you answered **yes** to any of these questions, we’ve got the seminar for **you!** Waste Management, North State Building Industry Association, Yolo County and the City of West Sacramento have teamed up to provide a series of **free** Environmental Seminars aimed at tackling three environmental concerns: transportation, green building, and general sustainability.

The second Seminar on **Green Building** will be held on Wednesday, June 3 and will review and discuss West Sacramento’s proposed draft Green Building Ordinance and provide green construction techniques. Speakers for the second Seminar include:

- Christopher Cabaldon, Mayor, City of West Sacramento
- David Mogavero, Mogavero Notestine Associates
- Armando Navarro, Pacific Gas and Electric (PG&E)
- Bob Walter, RJ Walter Homes, builder of Sacramento's first LEED-Platinum home

**Topic:** Draft Green Building Ordinance and Green Building Techniques  
**Date:** June 3, 2009 (Wednesday)  
**Time:** 8:30 am: Meet and Greet Breakfast  
 9:00 am – Noon: Seminar Presentations and Discussion  
**Location:** West Sacramento Civic Center  
 1110 West Capitol Avenue  
 West Sacramento, CA 95691

For more information or to sign up for the Green Building Seminar, please visit [www.westsacrecycles.org](http://www.westsacrecycles.org) or contact us at (916) 617-4590.

**Look for the last seminar of the year coming up in October about sustainable practices! Seminars are conducted in partnership with the West Sacramento Chamber of Commerce.**
